

Instructions for Returning the state Giant Traveling Map

Date _____
 Name _____
 School/group _____
 School address _____
 City/zip code _____
 Email _____

We hope your students enjoyed their time with Arizona's Giant Traveling Map! Please take five minutes and complete the Giant Traveling Map **User Surveys** within **one week** of using the map. Gathering this information is important as we seek funding to continue this popular and effective education program.

The 9 question Arizona Geographic Alliance Survey found at
<https://www.surveymonkey.com/r/B79FD3C>

The National Geographic Giant Traveling Maps **User Survey**. The survey is submitted online at
<https://www.surveymonkey.com/r/GTMstateTeacherSurvey>

Packing the map properly and checking that all curriculum materials are accounted for and neatly packed in the trunk ensures the next borrower will have an equally good experience with the giant map. There is an optional 4 minute NatGeo **YouTube video** that demonstrates how to properly and efficiently pack the map for returning. The video can be viewed by visiting:

<http://www.youtube.com/watch?v=St1v9OpGzPo>

Returning Inventory

Count the following items and report how many are in the trunk.
