The World in Spatial Terms	Road map shows correct locations of the destinations	4		
Total Points				
Total Points Possible		72	36	36

Arizona Road Trip Presentation

Group Tasks and Guidelines:

- Your budget of \$700 includes admission for 4 children and mileage. You cannot spend more than this amount.
- Your trip must include at least 4 destinations that have cultural or historical significance.
- A summary must be written about each destination that includes its cultural or historical significance as well as other details about this location.
- There should be a drawing of each destination (like a picture of the group enjoying themselves at the destination).
- Google Maps must be used.
- Your group presentation of the road trip must include vocabulary words learned and be given so that your audience can understand your report.
- Discuss, as a group, the Scoring Guide for this assignment before beginning any tasks. Ask questions if something is not clear.

Name _____

Arizona Road Trip: Summary of ONE of your destination

My group and I went to _____.

It is located in _____(city).
