This is a Cemetery...

Lives are commemorated—deaths are recorded—families are reunited—memories are made tangible—and love is undisguised. This is a cemetery.

Communities accord respect, families bestow reverence, historians seek information and our heritage is thereby enriched.

Testimonies of devotion, pride and remembrance are cast in bronze to pay warm tribute to accomplishments and to the life—not the death—of a loved one. The cemetery is homeland for memorials that are a sustaining source of comfort to the living.

A cemetery is a history of people—a perpetual record of yesterday and a sanctuary of peace and quiet today. A cemetery exists because every life is worth loving and remembering—always.

Welcome to Grave Addiction!

This site is a proud member of the [Association of Graveyard Rabbits](#). What is the Association of Graveyard Rabbits? Click on the link to find out!

Grave Addiction contains photos I have taken at all of the cemeteries, haunted places, abandoned buildings, and historical parks that I have visited. I'm always exploring new places, so the site is updated with new photos and stories on a regular basis (I attempt to add new pages once a week, but sometimes that doesn't happen). You can see the most recent updates by [clicking here](#).

The photos have been divided into several sections, and you can view them by clicking on the links in the navigation bar on the left side of the screen. The site's size can be a little overwhelming, so if you're looking for something specific you can search the site by [clicking here](#).

I should also add that the majority of cemeteries, structures, and parks that I have on the site are from Ohio...that's because I live in Ohio. However, whenever I travel to other states or countries I'll be sure to visit some cemeteries/structures while I'm there and take plenty of photos for the site.

Do you know of any cemeteries or haunted places that I should visit? Have any comments or questions about the site? Need help finding an ancestor's grave? Please feel free to [e-mail me](#). Or if you prefer, you can also reach me by using any of the contact methods listed in the navigation bar on the left (including postal mail). I always enjoy hearing from site visitors and make every effort to reply to each e-mail/letter I receive. If you send letters, photos, or videos to the P.O. Box listed in the navigation bar, please be sure to let me know if it's OK to post the info you sent on the site. Also, if you would like any of the items you send back, be sure to let me know...I have no problems doing that! You might also want to send me an e-mail to let me know that you mailed something, just so I know to expect it and check for it at the post office.

MOTHER

OLD BEAUTIFUL SOUL, EARTHBOUND,
IN THE FORM OF A WOMAN.

YOUR INCARNATION BRIEF, YET
ENDURING. THE LIVES OF MANY
BRIGHTENED IN IT'S BRILLIANCE.

LOVE, JOY, CARING, WORDS WHICH
MANIFEST IN IMAGES OF
REMEMBRANCE.

NOW, ON ETHER WINDS YOU'VE
TRAVELED AFAR, TO A PLACE WE
HERE CAN ONLY DREAM.

HOW I ENVY THE SOULS NOW THAT
ARE BLESSED WITH YOUR LIGHT,
AS YOUR JOURNEY CONTINUES,
A NEVERENDING FLIGHT.
