

**ancestor:** a person in your family from who you are descended

<http://www.understandingyourancestors.com/as/default.aspx>

**migration:** to move from one place to live in another place

<https://omnia.sas.upenn.edu/story/past-present-and-future-human-migration>

**immigrant:** to move from one country to live in another country

<https://nebhe.org/journal/dreamers-are-at-the-heart-of-the-american-dream/>

**push factor:** thing that makes you want to leave a place

- few services
- lack of job opportunities
- unhappy life
- poor transport links
- natural disasters
- wars
- shortage of food

- access to services
- better job opportunities
- more entertainment facilities
- better transport links
- improved living conditions
- hope for a better way of life
- family links
