Sung to the tune of 99 bottles of beer on the wall
Written by Sandy Martinez

9 gingerbread guys in the oven, 9 gingerbread guys... Take one out, pass it about, 8 gingerbread guys in the oven!

8 gingerbread guys in the oven, 8 gingerbread guys, Take one out pass it about, 7 gingerbread guys in the oven!

7 gingerbread guys in the oven, 7 gingerbread guys, Take one out pass it about, 6 gingerbread guys in the oven!

6 gingerbread guys in the oven, 6 gingerbread guys, Take one out pass it about, 5 gingerbread guys in the oven!

5 gingerbread guys in the oven, 5 gingerbread guys, Take one out pass it about, 4 gingerbread guys in the oven!

4 gingerbread guys in the oven, 4 gingerbread guys, Take one out pass it about, 3 gingerbread guys in the oven!

3 gingerbread guys in the oven, 3 gingerbread guys, Take one out pass it about, 2 gingerbread guys in the oven!

2 gingerbread guys in the oven, 2 gingerbread guys, Take one out
pass it about, 1 gingerbread guy in the oven!

1 gingerbread guy in the oven, 1 gingerbread guy, Take him out
pass it about, no more gingerbread guys in the oven!
MMMM—MMMM—MMMM!!
