1. Properties: ___________________
   ___________________
   ___________________
   State of Matter

2. Properties: ___________________
   ___________________
   ___________________
Use the Anchor Chart to use scientific language.

Describe 3 Properties in Picture #1:
1. ____________________________
2. ____________________________
3. ____________________________

I think it is a:
SOLID  LIQUID  GAS
(Circle all that apply.)

Describe 3 Properties in Picture #2:
1. ____________________________
2. ____________________________
3. ____________________________

I think it is a:
SOLID  LIQUID  GAS
(Circle all that apply.)

Describe 3 Properties in Picture #3:
1. ____________________________
2. ____________________________
3. ____________________________

I think it is a:
SOLID  LIQUID  GAS
(Circle all that apply.)

Describe 3 Properties in Picture #4:
1. ____________________________
2. ____________________________
3. ____________________________

I think it is a:
SOLID  LIQUID  GAS
(Circle all that apply.)
Properties of Matter Assessment (B)
