Sentence Stems

My habitat is a _______________.

The climate is _________________ and _________________.

You can find ________________, ________________, and ________________ in this habitat.

The shelter I designed is made out of ________________ because _________________.

I made my shelter ________________ because _________________.

Example:

My habitat is a savanna.

The climate is wet and dry and hot.

You can find grass, trees, and dirt in this habitat.

The shelter I designed is made out of trees and branches because it will protect me from the rainy season and the sun.

I made my shelter above the ground because I don’t want to get flooded during the rainy season.
Rubric for Design a Home

<table>
<thead>
<tr>
<th>Design</th>
<th>1-5 attempt to design something but does not meet the criteria</th>
<th>6 creates a shelter but not appropriate for the habitat or missing labels and title, hard to understand</th>
<th>7 creates a reasonable shelter with labels and title</th>
<th>8 creates a reasonable shelter with labels, title, appropriate materials and design for habitat</th>
<th>9-10 creates a shelter with labels, title, appropriate materials and design for habitat, neat and easy to read, or goes above and beyond criteria</th>
</tr>
</thead>
</table>
