Name: _____

Monarch Navigation Mystery- Bubble Map

Brainstorm your ideas on how you think a butterfly navigates to Mexico

Compass Challenge Cards—Print and cut apart

What is the classroom number of the class north of us?	In which corner of the intersection is our school located?
In which direction do we walk to get to the library?	If you wanted to watch the sun set in which direction would you look? What about a sun rise?
In which direction is your house?	The classroom door is located on which wall?
If you wanted to go home on the bus, which direction would you walk to find the bus?	If you wanted a drink of water, in which direction would you walk?
In which corner of the room is your teacher's desk?	If you wanted to swing on the nearest swing, in which direction would you go?
