Practice Sheet Land Area

Name _____

Directions: Using your South America Data Sheet, fill in the blank table below with the information on the **land area** of the countries in South America. Then, complete the blank circle graph using the information from your table.

Country	Area	Percent

Answer Key--South America Land Area Table

Country	Land Area in Square Kilometers	Percent
Argentina	2,736,690	16%
Bolivia	1,083,300	6%
Brazil	8,358,140	48%
Chile	743,532	4%
Columbia	1,109,500	6%
Ecuador	248,360	1%
French Guiana	82,200	0 or 1%
Guyana	196,850	1%
Paraguay	397,300	2%
Peru	1,280,000	7%
Suriname	156,000	1%
Uruguay	175,020	1%
Venezuela	882,050	5%
Total	17,448,942	100%

Chart and Graph Scoring Guide

Name _____

Practice Sheet Land Area Multiple Choice

Name _____

Use the information from your table and circle graph to answer the following questions.

1. A table and a graph must have titles.
 - a. true
 - b. false
2. A circle graph should have a key to explain the colors.
 - a. true
 - b. false
3. When finding the percentages for a circle graph, you:
 - a. subtract
 - b. add
 - c. divide
 - d. multiply
4. On the circle graph, which country occupies nearly half of the land in South America?
 - a. Uruguay
 - b. Argentina
 - c. Venezuela
 - d. Brazil
5. Using the table, the combined land area of Peru and Columbia is nearly the same as:
 - a. Bolivia
 - b. Argentina
 - c. Venezuela
 - d. Brazil

Answer Key for Practice Sheet Multiple Choice

1. A
2. A
3. C
4. D
5. B

Answer Key for Student Assessment Multiple Choice

1. D
2. B
3. B
4. A
5. B

Assessment

Name _____

Directions: Using your South America Data Chart, complete the blank table below with the information about the **population** of the countries of South America. Then, using your table, fill in the blank circle graph with the information.

Country	Population	Percent

Answer Key--Assessment

Country	2020 (estimated)	Percent
Argentina	45,195,774	10%
Bolivia	11,673,021	3%
Brazil	212,559,417	49%
Chile	19,116,201	4%
Columbia	50,882,891	12%
Ecuador	17,643,054	4%
French Guiana	298,682	0 or 1%
Guyana	786,552	0 or 1%
Paraguay	7,132,538	2%
Peru	32,971,854	8%
Suriname	586,632	0 or 1%
Uruguay	3,473,730	1%
Venezuela	28,435,940	7%
Total	430,756,286	100%

Assessment Population Multiple Choice

Name _____

Use your completed table and circle graph to answer the following questions:

1. Which of the following does a circle graph need?
 - a. a title
 - b. a key
 - c. none of the above
 - d. both a and b

2. The operation used to find the percentages for a circle graph is:
 - a. subtraction
 - b. division
 - c. addition
 - d. multiplication

3. According to the table, which two countries have close to the same populations?
 - a. Bolivia and Argentina
 - b. Venezuela and Peru
 - c. Paraguay and Peru
 - d. Venezuela and Brazil

4. Which country, according to the circle graph, has the largest percentage of South America's population?
 - a. Brazil
 - b. Columbia
 - c. Guyana
 - d. Argentina

5. Which two countries' populations equal nearly 20% of South America's population?
 - a. Argentina and Suriname
 - b. Columbia and Peru
 - c. Peru and Venezuela
 - d. Argentina and Paraguay
