

## Balkan Basics Country Profile T-chart

Use the **Balkan Basics Country Profile Chart** to complete the T-chart below.

**Once the T-chart is completed:**

1. Circle the answers that alike (similarities) for both countries.
2. Put a checkmark next to the answers that are different (differences) for both countries.

|   | Country 1 | Country 2 |
|---|-----------|-----------|
| What people originally settled?                       |           |           |
| What languages are spoken?                            |           |           |
| What religions are practiced?                         |           |           |
| What alphabet is used?                                |           |           |
| What type of government?                              |           |           |
| Name one agricultural product and one major industry. |           |           |
| What are the different ethnic groups?                 |           |           |
| List 2 important historical events.                   |           |           |
