Use Map #2 Your Lake to draw a map with the following human and natural features: lake, island, trees, restrooms, rocky beach, parking lot, hills, trash can, and picnic tables. You must also include a compass rose with the cardinal directions, a map key for your symbols, and 6 questions that locate places on the map. You must also write the answers to the 6 questions. Put your 6 questions and their answers on the back of the map paper. Example: Where is the trash can? Answer: b-19

Map Making Scoring Guide

_____lake
_____island
_____trees
_____restrooms
_____rocky beach
_____parking lot
_____hills
_____trash can
_____picnic tables
_____Total (9 PTS)

_____compass rose with the cardinal directions ( 2 PTS)

_____a map key for your symbols (9 PTS)

Total (20 PTS) ______

Math Scoring Guide

_____ 6 questions that locate places on the map (6 PTS)

_____ correct answers to the 6 questions (6 PTS)

Total (12 PTS) _____
Scoring Guide for Campsite Selection

Names of Group Members__________________________________________________________

We used the map made by _______________________________________________________

Directions: You are a group of teachers picking a campsite for the third grade campout. As a group you
must decide on the best location for the campsite. After your group has decided on a campsite, put a
large X on the map marking its spot. You must explain why this campsite would be the best spot. You
will need to write at least three sentences explaining your choice.

3 - Locates campsite with an X and writes 3 mistake-free sentences that support the decision to camp
there.

2 - Locates campsite in a poor spot or has only 2 sentences explaining the decision to camp there.

1 - No campsite marked or does not have at least 2 sentences

Our sentences explaining our decision to camp at this spot (X).
