

Essay Scoring Guide

Name _____

Directions: Write at least one good paragraph (of at least 7 sentences) on this topic.

How does camouflage benefit animals in their environment?

- Describe what happened in the classroom Moth Environment activity where the teacher had moths on the newspaper and you had to spot them.
- What happened to your own moth when your classmates were spotting the moths in the classroom? Why was it eaten or not eaten?
- What did you learn about the Peppered Moth from the video?
- You need a topic sentence and a conclusion.
- Remember to have correct punctuation and capitalization in your paragraph.

Paragraph Requirements	Points Possible	My Points
I described what happened in the classroom Moth Environment activity.	5	
I described happened to my own moth.	5	
I described what happened to the Peppered Moth.	5	
I used correct punctuation and capitalization.	5	
I had a topic sentence and a conclusion	10	
Total	30
