

## Reflection

Name \_\_\_\_\_

Write a reflection identifying how the 8 images you saw can influence your perception of people and places. Your reflection should include:

1. Were you aware of the events occurring in the 8 photos prior to this lesson? (5 pts)
2. Did these photos impact you? Did they change how you feel about some part of the world? (5 pts)
3. What image in the photos incited the most emotion in you? (5 pts)
4. Do you think the media use photos like these to shape our points of view? (5 pts)
5. What can you do to help in regards to the events shown in the images? (5 pts)

## Writing Prompt and Scoring Guide

Name \_\_\_\_\_

You are a reporter assigned to write about one of the areas in the photographs. You are to write a 1-page article to appear in an American newspaper describing the events that happened to make these people displaced persons/refugees from their homes. You need to briefly describe the conflict and how the people are being affected. You need to write accurately after doing research. Use your best spelling and grammar.

Your editor will determine if your story is good enough to publish. You must earn 50 points on the following scoring guide in order to be published.

Story requirements	Points Possible	Points Scored
Story is 1 page long.	10	
Story includes descriptions of the event that caused people to become displaced/refugees.	10	
Story described how the people are being affected.	10	
Story has been researched to back up its information.	20	
Story is well written in terms of grammar and spelling.	10	
Total	60
