

When you create your paragraph that describes your map remember the 5 W's

Who – Who is affected by the plague

What – Explain what is the plague (Black Death)

When – Give the dates that this event occurred

Where – What is the area affected

Why/How:

- How did it spread**
- Why it was an important event - What happened after?**

Here is something to get you started:

The Black Death, also known as The Plague, killed _____

(who) living in _____ (where) from about

_____ (when). The Plague was _____

(what). It was spread _____ (explain the

path of the disease-how). Because of the plague

_____ (explain what happened in Europe

because of the plague-why)
