Students' Mission: "Your school Student Council wants to purchase paints to paint the state of Arizona and its counties on the school grounds. In order to save money, it wants to purchase as few colors as possible. You may not have any counties be the same color that border or touch one another along the side.

The paint (one bucket per county) prices are: \$3.00 one color, \$6.00 second color, \$9.00 third color, \$12.00 fourth color, \$15.00 fifth color, \$18.00 sixth color You may choose the colors. The lowest cost wins the contract. How low can you go?"
